

Stat 205 Homework 3

Answer all questions **on one side of the same sheet of paper**.

1. Problem 3.S.9(c) on page 120.
2. Problem 3.S.10(a,b) on page 120. These are binomial probabilities; state what n and p are. You can use R to answer (a) and (b), but show your work (i.e. swipe and paste the R output).
3. 4.3.3(a,b,c) on page 131. You can use R for these.
