7. COURSE EVALUATION (PART V)

7.3) Please comment on what you feel are the positive and negative aspects of your instructor and his/her teaching outlook:

Loved this teacher. Always answered emails quickly t was very helpful t undestanding

u offered did the rejern a trend was quality

homework was graded on accuracy

Instructor has a great personality and I can tell he really enjoys statistics

such a kind person & easy to talk to very approachable, willing to help but difficult to understand, need better explanations & examples with humbers.

He had no cive how to teach.

Teacher was very enthusiastic, did what he could to help us.	responded to f	t-mails	rapidly,	and
and mith to coold to telp 03.				

Wonderful Teacher.

the instructor was very helpful in giving enough but not to much homework to explain coarse material. He was egan and helpful in explaining everything.

Great Professor!

he is a super nia guy but his accent makes it nourd for me to understand what he said alot of the time.

The second of the second of the second

- Class was funny, teacher was very willing to help
- BOOK was unnecessary and not useful. don't reccomend Students getting it in the future
- Teacher was very understanding and willing to help

I was easily confused in lecture. Didni understand alor.

regative - he was a pit boring positive - was very willing to work watrdents!

Negative-HW did not always have feedback They were too difficult

This course is just stupid.

I feel like review guides for the tests could stand to be more helpful.

Too much information. Too much awargury in getting answers to humarwork prevent.
