

Dear Student,

I'd like to invite you to enroll in my SAS OnDemand for Academics course: STAT540:
Computing in Statistics

As a first step, please create a SAS Profile that will be used to register for SAS OnDemand for Academics. To register, visit <https://www.sas.com> and fill out the form to *Create profile*. (valid email and activation required)

Next, create your account for SAS OnDemand for Academics. To register, visit <https://welcome.oda.sas.com> sign in with your SAS Profile and complete the steps to *Register for an account*.

After you have successfully created your account, follow these steps:

1. Sign on the the Dashboard at <https://welcome.oda.sas.com>.
2. Look for and select the *Enrollments* tab and select the "+ enroll in a course" link to start the enrollment.
3. Enter the course code:

4b31258a-5ec0-4e01-93d4-1f0670225269
4. Submit the form.
5. Confirm that this is the correct course and then click the button to finish enrolling.

I plan to teach using the following software: *SAS Studio*

I have also uploaded data for us to use in our course. You will be able to access that data using a LIBNAME or FILENAME statement with this path:
~/my_shared_file_links/u38085605

For more information about SAS OnDemand for Academics, including step-by-step registration instructions, visit the following site: <http://support.sas.com/ondemand>.

Regards,
Yen-Yi Ho
